According to the Bill Summary of SB 673, we have three funds for expansion of natural gas distribution:

- Industrial Development Fund Utility Account
- Site Infrastructure Development Fund
- Ag-Gas Fund

What kind of funds are in those accounts? Is it General Fund appropriations, or another source?

Thanks.

Ken,

Do you have any time over the next few days to talk about an overarching approach? Perhaps tomorrow morning on either side of the policy meeting . . .

I'm glad you were happy with the discussion. Thank you for the feedback. I'll follow-up with you regarding an overarching approach with Duke Energy.
